

C.I.P.C. vs ECSC
INTERCLUB SHOOT
2019

Categories: 22 Pistol with Iron Sights

22 Pistol with Red Dot sights

€10 entry fee covers both categories (one entry per shooter per category)

Interclub Perpetual Shield:

The club with the highest overall score after two shoots

(ie; a home and away shoot for each club)

will win the Interclub Perpetual Shield

to proudly display for a year.

There will also be individual prizes on the day for the top 3 overall scorers in each category.

Shoot 1: **CIPC**, Wexford, Sunday 24th March 2019.

Shoot 2: **East Coast Shooting Club**, Wicklow, Sunday 21st July 2019.

The Fine Print:

- For individual prizes in each category, the total score will be the total of all the shooters competition targets on the day.
- Each club can field as many shooters as it wants.
- For each category, only a matching number of shooters from each club will count towards the overall score for the Shield, eg; if Club A has 8 shooters and Club B has 9 shooters, only the 8 highest scoring shooters from Club B will be counted.
- The overall score for the club will be the total of the matched shooters scores from each of the categories.
- In the event of a tie in overall club scores, the winning club will be decided by countback (ie; number of X's, tens, etc scored by the matched shooters from each club).
- The hosting club will provide the targets and Range Officers for their event, and decide the event format which will be run according to their club, range and competition rules.
- Any proceeds from entry fees after target & prize expenses will be split between both clubs.
- It is the winning clubs responsibility to have the shield engraved before the following years shoot.
