MONTHLY GALLERY RIFLE AND PISTOL SHOOT 30 JUNE 2019

The sun came out to greet us as we arrived on the range this morning for our monthly gallery rifle and pistol shoot. The shoot format was the 25m Precision (25P) card. Unlimited sighting shots on the first card and then thirty scoring shots in three strings of ten rounds fired at a distances of 25 metres, with the highest possible score of 300x300-30x's. This competition is shot double handed. There were seven competitors and seven entries, which is good for this time of year, due to holidays in faraway places for most. Due to no riflemen attending, the rifle competition was not held. First place in the pistol iron sights went to Sylvester with a score of 247. The 'Red Dot' sights was won by Sean Mc with a score of 280 and the centre fire shoot was won by Simon with a score of 205. I wish to thank Tom for standing in as RO to allow me to shoot and also thank all the competitors who took part. The competition results are below.

Our next monthly gallery rifle and pistol event will take place on Sunday morning 28th July with the first competition shots away at 10:30. The format will be the Multi Target. This shoot will be part of our 'Jubilee Weekend' that will be held on the Saturday and Sunday 27th - 28th July. I look forward to seeing you all then.
