

COMPETITION RESULTS

MONTHLY GALLERY RIFLE AND PISTOL SHOOT 25 AUGUST 2019

As the sun brightened up our morning eight shooters braved the road closures due to the 2019 Wicklow Iron Man competition and using back roads and alternative routes made it safely to the range. Between the 'Iron Man' and the 'Kiel Cup' being staged in BRC over the weekend we expected a small turnout. Thanks to all who made it. Multi Target was the day's format with twenty four shots in strings of six rounds fired at four distances ranging from 25 metres, 20 metres, 15 metres and 10 metres with a possible score of 120-24x's. This competition is shot double handed. There were eight competitors and thirteen entries. Iron sights started the morning with first place going to Anthony F with a score of 100. Second place was hard fought for with two competitors both Declan K and Frank B tying with an 98. It came down to the X count and the final outcome saw Declan taking the honours with 6X's to Frank's 5X's. Next up was the pistol 'Red Dot' category and this time around Frank B walked away having achieved victory with a very impressive score of 107 followed by Maurice B with 102 and Anthony taking third place with 91. Then it was the riflemen's turn. With only two shooters stepping up to the line the competition finished with Anthony F taking first place with 107 to Paul F's 105. A very close fought finish. My thanks to all who competed and a special thanks to Declan K who stepped into the Range Officer position and relieved me to shoot the competitions and a thanks to Frank B who scored the targets while I shot. Afterwards, the coffee, biscuits and a chat finished off a good mornings shoot. The competition results are below.

Our next monthly gallery rifle and pistol event will take place on Sunday morning 29th September with the first competition shots away at 10:30. The format will be the T&P1. I look forward to seeing you all then.

Iron Sights
