Gallery Rifle and Pistol Monthly report 27th October 2019

The morning was fresh and sunny with a little wind. Nine shooters took part with nineteen entries in five categories. Many thanks to Bryan P who stood in as range officer and allowed me to shoot. The format was Multi Target shot at 25mts, 20mts, 15mts and 10mts, six rounds fired at each distance with 120 being the top score. Honours in the small-bore pistol open sights and red dot went to Cathal C, with Dave C taking first place in the centerfire pistol category, Paul F in the gallery rifle and Bryan P with a good score in the M1 group.
