Gallery Rifle and Pistol Monthly report 24th November 2019

It was damp under foot and fog greeted the early risers. The hardy men of East Coast Shooting Club were once again out in force. This morning's format was the 25 metre precision, one practice detail and three competition details with ten rounds fired at each target, 300.030 being the top score. Twelve shooters took part with eighteen entries in four categories. My thanks go to Pat C who stood in as range officer and allowed me to shoot. Honours in the small-bore pistol open sights (SBP) went to Pat C with Sean McE taking the honours in the OSBP event. Anthony F won the gallery rifle event with Bryan P putting in another good score in the M1 Carbine group. Results below. Our next outing will be a change from our usual shoot. It will be the T&P target at 25mts, the MT target at 15mts and the rifle 25mts target at 10mts. Ten scoring shots at each target in two minutes. It should be good fun and a good test of marksmanship skills.

Thank you all for your support during the year and I would like to take this opportunity to wish you a 'Happy Christmas'.

See you all on 29th December 2019 with first shots away at 10:30 and best of luck to everyone.
