Gallery Rifle and Pistol Monthly report 29th December 2019

It was the dry overcast weather last Sunday morning that gave some shooters a chance to get out in the fresh air and get that blood flowing through their trigger fingers again after the Christmas break. Thirteen East Coast Shooting Club members took part in our monthly gallery rifle and pistol competition, with twenty one entries. The morning's format was the T&P1 target shot at 25mts, the MT target (modified) at 15mts and the 25mts rifle target at 10mts. Ten scoring shots at each target in two minutes with a HPS of 300.030. It was good fun, a change from our usual formats but most importantly it was a good test of marksmanship skills. It was also another way to familiarise members with the targets they will be shooting on in next year's NASRPC shoots.

Honours in the small-bore pistol open sighs (SBP) went to Anthony F with Cathal C taking the honours in the OSBP event. Paul F won the gallery rifle event with Bryan P and Cathal C putting in good scores in the M1 Carbine and CF Pistol groups. Results below. Our next monthly shoot will be on the T&P1 target at 25mts, 15mts and 10mts.

I would like to take this opportunity to thank you all for your support during the year and to wish all East Coast Shooting Club members in this our Jubilee year a 'Happy New Year'.

See you all on 26th January 2020 with first shots away at 10:30 and best of luck to everyone.
