The following conditions apply to "Club Shooting" Days:

The range will be open 10:00 – 13:00. If there is anyone present at 13:00 wishing to continue shooting, this will be permitted so long as a RO is available.

Anyone not turning up until after 13:00 runs the risk of finding that the range has closed and therefore being unable to shoot.

**The sessions are intended for members with their own equipment.
Club guns will not be available on these days, nor will club ammunition be on sale.
Unaccompanied Visitors cannot be catered for.**

Target sales are on a cash only basis until further notice.
